## KELLY, HOCKEL & KLEIN P.C.

**F**ounded in 1988, Kelly, Hockel & Klein P.C. is extremely appreciative and proud of being selected as a 2011 "Go-To" Law Firm by our clients – among the country's Top 500 companies. As a small law firm, with only 12 attorneys, KH&K is committed to a notion all too often lost in the 21st century world of law firms – the notion of "customer service." Our team of remarkably experienced lawyers provides top quality legal representation, with an

economical approach to fees and costs, while ensuring prompt, honest and dedicated communication with and on behalf of our clients.

At KH&K, clients get dedicated and responsive attorneys who know that small law firms can compete only if their rates are competitive, the representation top-notch, and the lawyers careful and concerned about both results as well as fees and costs.

At our size, being named a "Go-To" law firm demonstrates our commitment to an efficient, yet smart defense of our clients. We customize a litigation strategy for our diverse range of clients by conducting an early and thorough examination on all cases. Some cases need to settle quickly; others require aggressive defense through trial. Our team of lawyers includes those who have tried dozens of cases to jury verdict, as well as associates who understand the complexities of our practice and our client's business.

Our practice focuses on several key areas – labor and employment, commercial litigation, premises and products liability, and real estate litigation. We have a proven track record of success – with a host of summary judgment orders, appeals and jury and court verdicts along the way. Indeed, it is the rare group of attorneys these days that has repeated jury trial experience not only in courts in California, but also as counsel of record in state and federal trial and appellate courts throughout the U.S.

We represent clients in cases as varied as wage and hour class actions, MDL-coordinated actions, and local discrimination and harassment suits. We have been also been asked to assist as "local counsel", or in discrete disputes where minimizing costs is the #1 goal. Our clients consist of Fortune 500 companies, as well as small companies offering a unique brand of skill or expertise. With offices in San Francisco and Los Angeles, we are well set to compete, and thrive, in today's complex legal world.

Thank you for considering us as your "Go-To" Law Firm.
